## CLEAN TOUCH

### ANTIBACTERIAL LIQUID HAND SOAP

Liquid soap for washing and disinfecting healthy skin of hands.

#### CLEAN TOUCH

Antibacterial Hand Soap is the lightly scented, skin-friendly formulation that is appropriate for repetitive use. Due to its intended use on the skin, the product contains care-substance additives which moisturizes the hands.

Clean Touch antibacterial soap is ideal for use in all facilities where hand washing is needed, including the whole family, health facilities, spas, kindergartens, schools, restaurants, hotels, gerontology centers and public institutions, food processing locations, veterinary clinics, production facilities, washrooms, break rooms, laboratories, etc.
